porque esta es su voluntad para ustedes en Cristo Jesús.

We are so very grateful for the families and children that are a part of this church community.

The happiness and safety of children in our church is a serious concern.

We will be having conversations in Sunday School about being respectful of each other and our property and about how we use our space.

Please supervise children and be aware that the sound equipment and musical instruments are not to be played with. Help them think about how running or crawling in a crowded space can be dangerous for those with limited mobility. Also, children should not be in the balcony or basement without supervision.

Thank You.

The Peace Lamp is lit each week as a reminder to pray for peace in our community and world.
